Pre-Tenancy Fees

Tenant Applicant Registration FREE

Includes initial registration as an applicant and property finding service.

Holding Deposit £250.00

If the Tenant wishes puts forward an offer and the Landlord agrees, subject to reference checks and negotiation, we will ask the Tenant to pay a Holding Deposit in advance of us carrying out these checks and detailed negotiations. **If the Tenancy does go ahead then this Holding Deposit will become part of your tenancy deposit (usually set as 6 weeks rent).**

The Holding Deposit will not be reimbursed to you if: 1. you decide not to proceed with the rental of the property and withdraw your application for any reason other than the landlord's rejection of your offer, 2 you are unable or subsequently refuse to put forward satisfactory references that support the details of your offer, 3. your references and/or any part of your application are found to be untrue or are falsified.

If the Landlord decides not to let the property to you for any reason other than those above, the Holding Deposit paid will be refunded to you less the cost of any Pre-Tenancy Fees you may have accrued.
