Holding Deposit £(APPROX. ONE WEEKS RENT*)

If the Tenant puts forward an offer and the Landlord agrees, subject to reference checks and negotiation, we will ask the Tenant to pay a Holding Deposit in advance of us carrying out these checks and detailed negotiations. There is a FIFTEEN DAY deadline for an agreement to be reached from the day of receiving this Holding Deposit.

1. If the Tenancy does go ahead then this Holding Deposit will be reimbursed or put towards the balance of your tenancy deposit (usually set as 5 weeks rent).

2. If the Landlord decides before the deadline for agreement not to enter into a tenancy agreement this Holding Deposit will be reimbursed unless the the Tenant provides false or misleading information in his tenancy application or any Tenant or proposed occupant fails a Right To Rent check in which case the Holding deposit may not be reimbursed.

3. If the Tenant and Landlord fail to enter into a tenancy agreement before the deadline this Holding Deposit will be reimbursed unless the Tenant fails to take all reasonable steps to enter into a tenancy agreement before the deadline expires in which case the Holding deposit may not be reimbursed.

4. If the Tenant gives notice before the deadline that the Tenant has decided not to enter into a tenancy agreement the Holding deposit may not be reimbursed.

If the Holding Deposit will not be reimbursed the Tenant will be provided with a written notice explaining the reason.
